

Haytor Case Study – Ranger Quotes

Quotes from the Sector Ranger for the area including Haytor and Haytor Down

"Haytor is all things to all people, whether to sit and enjoy the fantastic views or for a specific pursuit such as climbing or horse riding."

"It has been said that Haytor Rocks is 'Everyone's Everest'... Judging by the huge numbers of people that climb the rocks each year it certainly feels like it!"

"Snow on Haytor is beautiful BUT brings many problems, such as parking congestion and huge amounts of litter. One year, two HOUSE BATHS complete with taps were used as sledges then dumped on the moor afterwards...Now that makes me cross!!"

"Despite the huge numbers of visitors to Haytor Down, it is still possible to find seclusion, even on the busiest days."

"I love the atmosphere in the new Visitor Centre, very light and airy, and always a welcoming smile from the Information Staff!"

"It is great that so many people derive so much pleasure from visiting and living near Haytor."

"Haytor Quarry is a magical place. I'm convinced that it has its own micro climate."

"Sadly, despite our 40 mile speed limit, I have to deal with quite a number of livestock collisions each year."

"Sitting on the top of the Rocks has a timeless quality, similar to when you sit on an old castle battlement and try to imagine thoughts of all those that have gone before us."

"It is great to see people walking their dogs but some of them insist on hanging plastic bags of dog poo in the bushes...Hmm."

"It is a real privilege to be the Ranger for an area such as Haytor!"
